Giving our team some of the best support they have seen for some time, were these three beautiful maids. Our school should be very proud of the honor our yell leaders brought home to us by their winning the first yell leader trophy given at the County Tournaments.

They have worked hard and spent much of their free time in practicing. Wherever our team traveled it wasn't too far for our yell leaders, they even were able to attend the State tournament at Tacoma.

Congratulation to a wonderful set of yell leaders.

# COACH FELBER

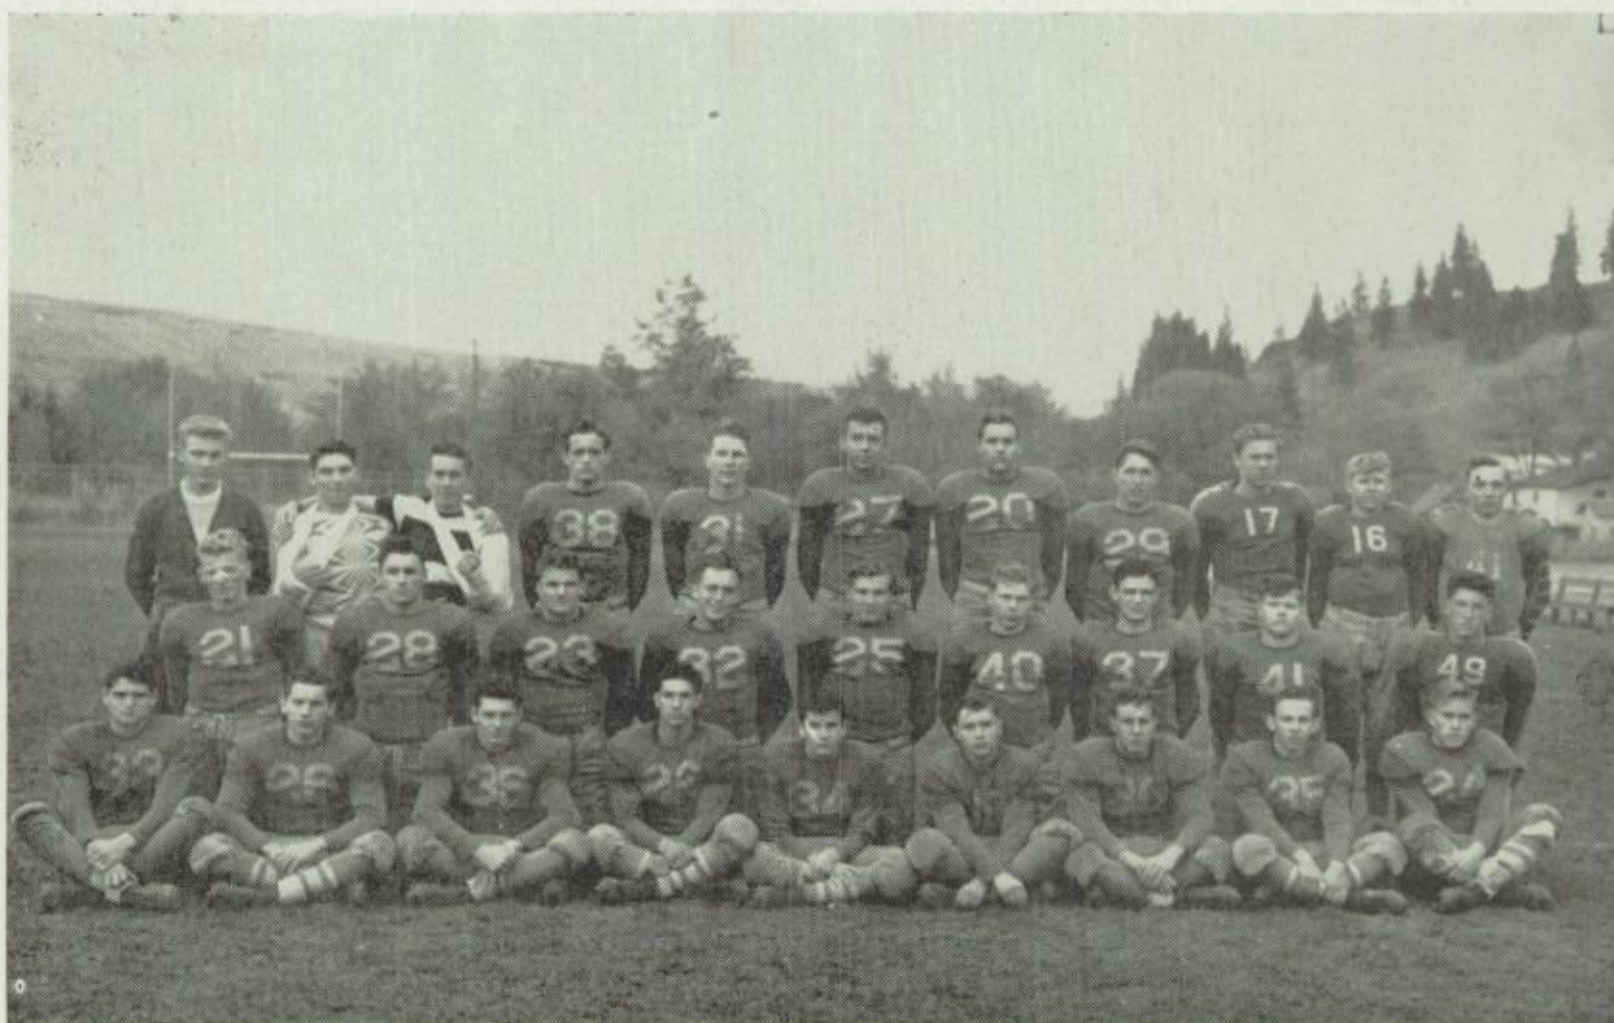

Finishing his sixth year of coaching, Coach Felber is certainly to be congratulated on his fine work. During the 1949 season he tutored possibly the most outstanding football team that Colfax has ever had. His well-balanced boxing team coped both the County and District Championship in 1950. In previous years Coach Felber produced many County Track, Football, and Boxing Champs.

Coach Felber received his training in Physical Education at E. W. C. E., where he participated in football, boxing, wrestling, and track. He received his Bachelor of Education degree at W. S. C.

This year saw one of the best football teams that Coach Felber and Colfax have ever produced. In spite of numerous injuries and a rugged schedule, the Bulldogs finished the season with the record of six wins and three losses.

The loss of eight letterman will be felt next year, but another good season is promised by the return of many veterans and promising "B-Squaders."

## "TEACH"

Alice McDonald has been a Physical Education instructor at Colfax High School for the past eight years and has obtained excellent results.

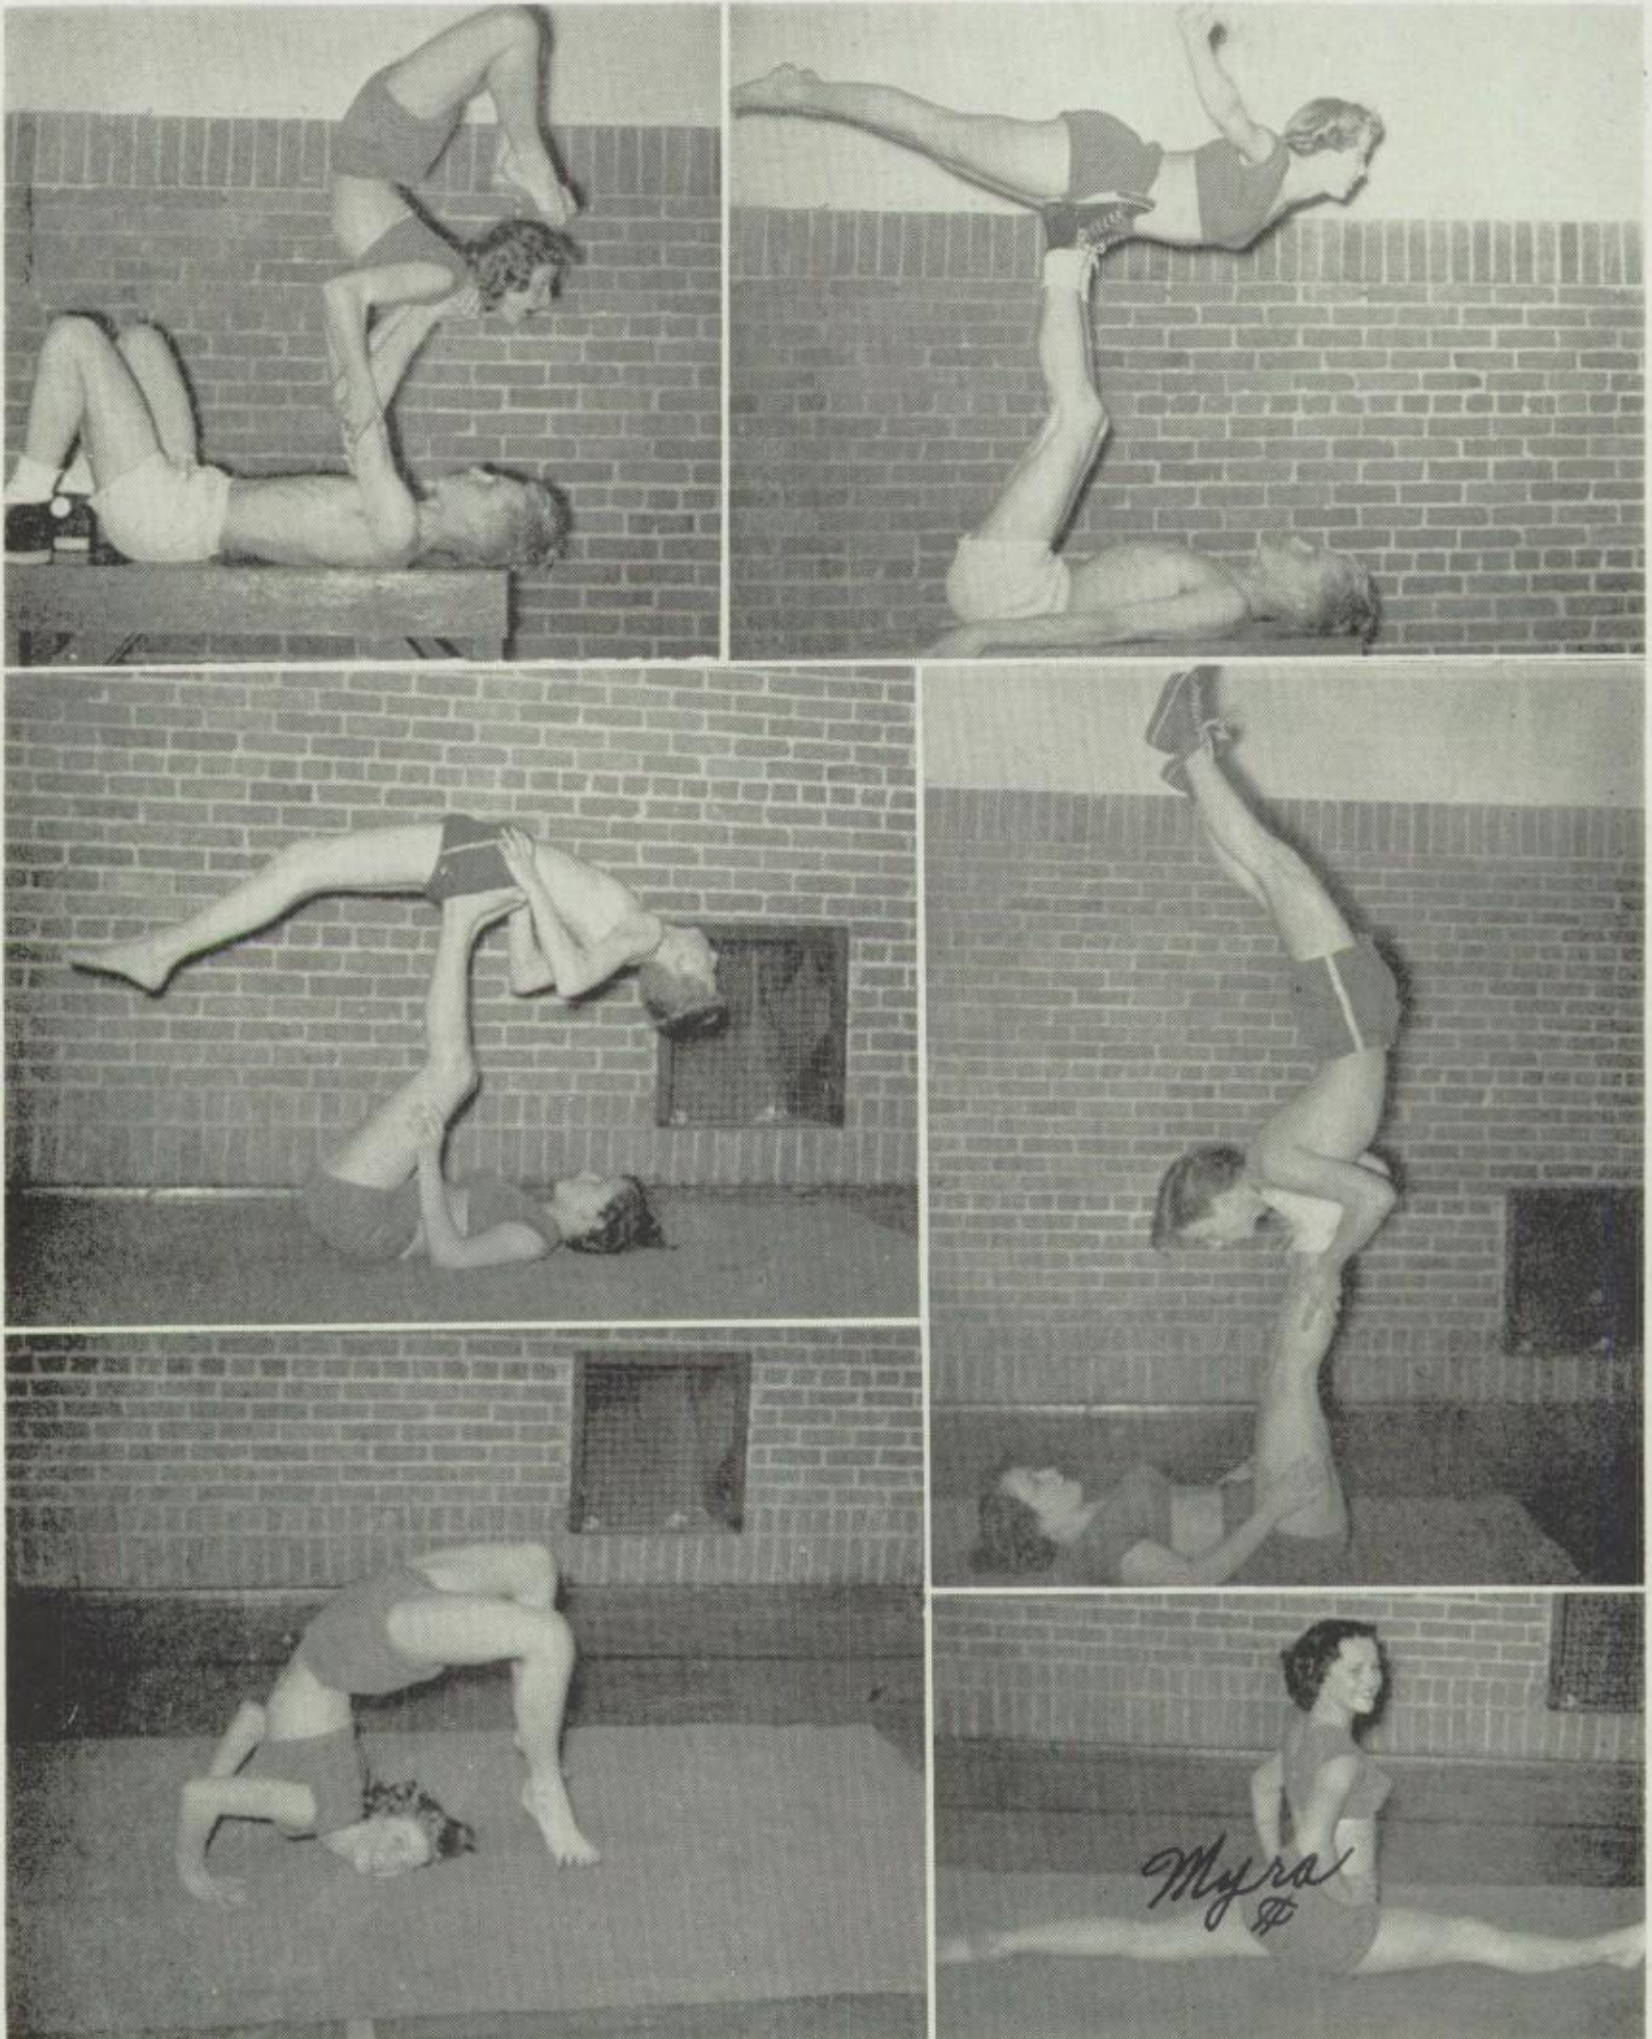

A year after she began teaching at Colfax, she organized a Tumbling Club, which has grown to be a very talented group of both boys and girls.

She is also the advisor for G. A. A. and a newly organized club of sophomore girls, the Servettes.

Miss McDonald is a graduate of Whitworth College, B. S. and took additional work at Washington State College.

# TUMBLERS

That is on the high table, too! Shirley flies again. Dan shows off his talent. Dick Repp, that is a neat bit of balancing. I wouldn't advise you to try this one. What do you think of that?

The tumblers, under the direction of Miss McDonald, have had a very successful year. They were unable to perform for the public this year but in the future years you can look forward to lots of good entertainment from this talented group.

Congratulations to the tumblers!

# VOLLEYBALL CHAMPS

Front row left to right: Joanne Elliott, Shirley Aeschliman, Dorothy Dasch. Second row left to right: Marilyn Nelson, Donna Mae Wise, Arlene Weitz.

These are the girls volleyball champs. They won every game to be the champs of the four classes. Volleyball, basketball, and baseball games are played in order to earn a G. A. A. letter. A championship team is chosen after all the games are played.

## COACH PYNE

Two years of hard and patient work "paid off" and gave Coach Pyne a very successful third year as basketball coach in C. H. S. His team, well-coached in fundamentals and filled with his "never-say-die" spirit, took more than their share of victories in the 1949-50 season. By winning second spot in the Southeast District, Coach Pyne took his team for the first time to the State Tournament where only the "breaks" kept his charges from walking off with some of the honors.

Len Pyne graduated from Central Valley High School, where he was an All-City basketball player. Majoring in Physical Education at Idaho, he received three letters in basketball and four in baseball. He captained the Pacific Northwest Basketball Champs and was named on the All-Conference team.

## "A" SQUAD

1st row left to right: Bob Gilchrist, Bob Matsen, Paul Codd, Bill Mahlik, Larry Brownell, Bill Schmick.

2nd row: Jerry Martin, Jerry Smith, Marvin Clark, Whitfield Smith, Don Steiger.

The Colfax Bulldogs put themselves back into the basketball picture this season. Despite many injuries and illnesses the hoopsters finished the season with twenty wins and eleven losses, while their conference record was seven wins and three losses.

The Bulldogs got their first taste of tournament championship in three years when they copped first place honors in the Wilbur Invitation Tourney. Finishing second in the district tournament gave the Bulldogs the right to enter the state tournament.

For statistics see page 60.

# COACH KAISER

Stepping into the shoes of tennis coach, Willard Kaiser produced a team that finished the '49 season undefeated. His netmen won the County championship and defeated some noteworthy opponents.

His training and accomplishments speak well for his capability as Colfax High School Tennis Coach. As a Freshmen, while attending E. W. C. E., he was the top man on the tennis squad. He was one of the top men on the W. S. C. squad for two years. Winner of the College Summer School Tournament is only one of the honors he took at W. S. C. He also captured the title in the Spokane Valley Tournament three years in a row.

We, of the Student Body, congratulate Coach Kaiser on the fine season of '49 and wish him much success in the future.

# TENNIS TEAM

Front row left to right: Barbara Morgan, Betty Foster, Harriet McGillic, Shirley Weitz, Joanne Stravens. 2nd: Pat Horting, Margaret Doty, Marilyn Wood, Donna Rae Silvey, Mary Lou Sweat. 3rd: Esther Roulet, Jerry Ackerman, Dick Repp, Oscar Anderson, Bill Meyers. 4th: Don Lemon, Laddie Lowe, Dwight Klein, Bill Mahlik, Whitfield Smith, Don Schweiger.

Going through an undefeated season, the Colfax Bulldogs again proved their superiority on the tennis court. Under the able coaching of Willard Kaiser the netmen won six matches, giving their opponents twenty-two matches, while coping seventy-two themselves. For the fourth consecutive season the Bulldogs won the Whitman County Championship.

Dee Ackerman, Treasurer; Betty Foster, Secretary; Dwight Klein, Vice President; Lowell Kenedy, President; Esther Roulet, Secretary; Melvin Cook, Vice President; Florence Cloaninger, Treasurer; Reva Urness, President.

The Mighty Seniors of '50 have really shown what they can do this year. To start the term out right, they entertained the Frosh with the Senior Frosh show. Again the Seniors demonstrated their ability by producing a very colorful carnival, in which every one of the class cooperated to make it a big success.

The seniors then put on a delightful Senior Ball, with the theme, "Memories." The Seniors have really done a swell job in running the school, and they should go places when they leave "Dear Old CHS" and get out in the world.

# CLASS PROPHECY

The class of 1950 does hereby prophesy that in ten years we will be as follows:

- CHRISTINE FILAN—Treasurer of the U. S. is suffering from writer's cramps—too many bills to sign.
- ELAINE COCHRAN and JO ANN STRAVENS—owners of the Diamond Horse Shoe, which they have purchased from Billy Rose, have reported a very thriving business.
- BURRELL SCHIERMAN and MAX McNEILLY—are battling it out tonight for the world's heavyweight championship at Madison Square Gardens.
- GERRY ACKERMAN—head receptionist at the Colfax radio station has just announced her engagement to head announcer ROBERT MATSEN.
- LOIS SCHMICK—private secretary to President BILL MAHLIK is resigning to marry a cowboy, GENE "CARROLL" AUTRY, who hails from Arizona.
- MARY LOU SWEAT—has received her Master's Degree in commercial work and is now employed at the Model Steam Laundry owned and operated by MARILYN WOOD.
- MARJORIE SWIFT—The Ideal Housewife of America is back to the old grind again after a three months' vacation in New York.
- MELVIN COOK—is seriously considering hiring DON ORGAN as chief mechanic in his wrecking service.
- HAROLD JOHNSTON—has just received the award for having the best orchard in Penawawa, the prize being a prune tree.
- DANNY HUGHES—and his guitar have top billing on Broadway this season. He won top honors over FRED SCHNEIDER and his cornet.
- WHIT SMITH—noted sportscaster will broadcast the Rose Bowl game again this year. He predicts that the SHERFEY Big Boys will win out over the HATLEY Little Boys.
- DAN DOTY—is still trying to figure out some way to keep the tide in on Mockonema Beach.
- PATSY COX—and her magic clarinet have just left on a world wide tour to Europe and many other points of interest. She plans to spend a few days in Africa visiting REVA URNESS and her husband.
- BETTY FOSTER—professor at Harvard, in her spare time is teaching driving to the frosh.
- DONNA JEAN DAY—noted assistant of Arthur Murray, will open her own business in a few months. The "Day Dip" is her featured dance.
- MARJORIE BUMGARNER and HELEN MANCHESTER—as we knew them before their marriages, are both waiting for the patter of little feet around the house.
- JANE LOTHSPICH—a very competent nurse, is taking care of DON LUFT after his minor accident. He fell off his bicycle while he was trying to take a corner on one wheel.
- MARVIN AESCHLIMAN and LEONARD STEVICK—are making a tour around the country lecturing on how to raise prize baby beef. Making the tour with them is Miss BARBARA RUBIN, the world's champion cherry pie baker.
- JOHN MOFFITT—has a new theme song on his morning program; he had to change from "The Call of The Wild Goose" because all he was attracting to his program was geese. New theme, "Mule Train".

- FLORENCE CLOANINGER—has just won the honor of making the most free throws on the Girls' All-America Basketball team. Her total for the year, 500.
- EUGENE CODD—proprietor of the Colfax Print Shop, has just hired LEONARD PIERCE as artist, janitor, and delivery boy.
- BILL UPSHAW AND KENNETH UPSHAW—are thinking about going into business together, but they can't decide who should have their name on the papers first. No matter what, it comes out UPSHAW and UPSHAW.
- The man with the silver horn, DWIGHT KLEIN, has consented to make a personal appearance in Colfax. While in Colfax, he will be a guest at the GRITMAN Hotel run by Miss Betty.
- PAT HENDERSON—has just returned from a trip to the North Pole. She reports that the Eskimos are really very friendly people when you get to know them.
- It is reported at this time that BILL COLVIN is doing a very fine business with his duck pond at different carnivals around the country. Also traveling with him is WILBERT STIPE and his camera—"your picture taken for only 50c and you get two prints".
- Last time we heard BILL GRIFFIN was still training for his big fight to be held March 18, 1960. Some people say he is a little punchy.
- DAN SCHMICK—proprietor of Burr's Department store was in a nervous state today. It seems that the bookkeeper, MARY JANE TORRANCE, made a 2c mistake, and Dan

This year the senior class put on a very successful carnival. There were bingo, ring toss, baseball throws, telegrams, darts, fishing pond, pictures, and a style show. Every person in the senior class co-operated and donated his time to make the carnival a big hit with not only the town people, but, also, the young people.
